# Adult Racquets // 27 inch

**HEAD IG  
CHALLENGE MP  
Racquet  
YELLOW  
\$199**

**Product Description:**

Lightweight full graphite racquet.

Specifications:

String Pattern: 16x19

Unstrung balance (mm): 345

Unstrung weight: 270g

Beam Cross Section (mm): 24-26-  
23.5

Length (inches): 27

Grip Sizes: 0-5

Headsizes: 100 IN<sup>2</sup>

The CHALLENGE MP gives you a great combination of spin and power. Even though lighter than HEAD's Tour racquet series, its entirely new frame is inspired by the modern Tour frame shape. The racquet also has a higher beam for a bigger sweet spot so you can bring your powerful club game to the next level. The CHALLENGE MP storms the weekend courts with Pennant Hills Tennis Centre sporting the luminous Yellow Frames.

# Adult Racquets // 27 inch

**HEAD IG CHALLENGE  
Lite Racquet  
BLUE  
\$199**

**Product Description:**

Lightweight full graphite racquet.

Specifications:

String Pattern: 16x19

Unstrung balance (mm): 345

Unstrung weight: 270g

Beam Cross Section (mm): 24-26-23.5

Length (inches): 27

Grip Sizes: 0-5

Headsizes: 100

A superb choice for developing players, the HEAD CHALLENGE LITE Tennis Racquet features an ultra-light graphite frame for optimal handling so you can run your competition off the court with an inspired shot selection. A large head with a substantial sweetspot ensures easy contact and precision placement; while innovative INNEGRA technology reduces impact shock for a smooth swing feel with a long-lasting light touch. Your toughest opponents will seem like a meager challenge as you dominate the court with the HEAD CHALLENGE LITE Racquet.

## Adult Racquets // 27 inch

**HEAD SPARK PRO  
Racquet  
RED // BLACK  
\$129**

**Product Description:**

Graphite Composite  
Specifications:  
String Pattern: 16x19  
Unstrung balance (mm): 345  
Unstrung weight: 270g  
Beam: 22mm  
Length (inches): 27  
Grip Sizes: 0-5  
Headsizes: 100 IN<sup>2</sup>

This racquet will make sure that your first steps on the tennis court won't be your last. The pre-strung SPARK PRO comes with a bigger head for more power, which will make you perfectly equipped for your recreational game.

# Adult Racquets // 27 inch

**HEAD SPARK ELITE  
Racquet  
BLUE  
\$99**

**Product Description:**

Aluminium Composite  
Specifications:  
String Pattern: 16×19  
Unstrung balance (mm): 335  
Unstrung weight: 265g  
Head size: 660 cm<sup>2</sup>  
Beam Cross Section (mm): 22  
Length (inches): 27  
Grip Sizes: 0-5  
Headsizes: 100 IN<sup>2</sup>

This racquet will make sure that your first steps on the tennis court won't be your last. The pre-strung SPARK ELITE comes with a slightly bigger head than the other models for even more power, which will make you perfectly equipped for your recreational game.

# Adult Racquets // 27 inch

## **HEAD RADICAL ELITE Racquet RED \$79**

### **Product Description:**

Graphite Composite  
Specifications:  
String Pattern: 16×19  
Unstrung weight: 265g  
Head size: 680 cm<sup>2</sup>  
Beam Cross Section (mm): 22  
Length (inches): 27  
Grip Sizes: 0-5  
Headsizes: 105 IN<sup>2</sup>

The Head Ti Radical Elite Tennis Racquet features graphite composite construction for enhanced control and spin, while the oversized head allows for controlled power. Maximum comfort is ensured with the contour cushion grip, allowing you to focus on your competitor.

## Graduate Racquets // 26 inch

### **HEAD XT SPEED JR Racquet \$115**

#### **Product Description:**

Graphite Composite  
Specifications:  
String Pattern: 16×19  
Unstrung balance (mm): 320  
Unstrung weight: 250g  
Beam: 24mm  
Length (inches): 26  
Grip Sizes: 0-5  
Headsizes: 100 IN<sup>2</sup>

If you want to play like Novak one day, go for the SPEED JR. Lighter than the grown-up SPEED series for easier handling and better manoeuvrability, it provides all of the same benefits for optimized control. Made for the serious up and coming junior player, the SPEED JR. features the innovative Graphene XT technology, which shifts the weight to where you need it most for a faster game. With its 16/19 string pattern for more spin than ever before, the SPEED JR. is your perfect partner on your way up.

# Graduate Racquets // 26 inch

## **HEAD SPEED 26 Racquet \$89**

### **Product Description:**

Graphite Composite  
Specifications:  
String Pattern: 16×19  
Unstrung weight: 240g  
Beam: 20mm  
Length (inches): 26  
Headsizes: 102 IN<sup>2</sup>

A great choice for beginners, the SPEED 26" features a lightweight graphite frame for smooth strokes and an oversized head for easy and accurate ball contact. Watch your young athlete pick up the game in record time with the HEAD SPEED 26" Junior Tennis Racquet.

## Graduate Racquets // 25 inch

### **HEAD RADICAL JR 25 Racquet \$30**

#### **Product Description:**

Aluminium Composition  
Specifications:  
String Pattern: 16x18  
Unstrung weight: 240g  
Beam: 20mm  
Length (inches): 25  
Headsizes: 105 IN<sup>2</sup>

The RADICAL JR. series helps children to start their tennis journey in the most comfortable way. The aluminum racquet features the unique Damp+ insert, which isolates the impact for fewer vibrations. The RADICAL 25 is perfect for kids between 8 and 10 years who want to play as versatile as Andy Murray. You can also dress like him: The racquet's colorful razzle dazzle design is inspired by the RADICAL collection and allows you to conquer the courts in an eye-catching and matching head-to-toe outfit.
