Our aim is to promote junior tennis, and we can also see the benefits in players representing their school. All events will be conducted according to school year. This should simplify the entry procedure for each school. All players can enter Singles and Doubles events, and there are also OPEN TEAMS EVENTS and PRIMARY SCHOOL TEAMS EVENTS.

You will notice that the Tournament is to be run on schooldays. The attached Information specifies which events are on which days (a player will need to have 1 day off school to compete in his/her events). We hope that you will grant permission to interested players to be away from school for the particular day of their events.

### Trophies and Prizes

(Totalling \$2,600 for Schools and \$500 for Open event winners)

- Players - Individual winners of the Open events (Boys & Girls) will each receive a \$250 Voucher.
